Describe the facts of your case by answering the four (4) items below. ***Use a separate sheet of paper and answer each as detailed as possible.***

1. State reasons you want or feel you need a Pardon.
2. Have you been arrested for any offense(s) since your completion of the convictions you are requesting pardon consideration? If so, indicate where, when, and for what. A records check will be made.
Failure to report accurate and complete information will be sufficient reason for denial of a Pardon.
3. List your residence and employment history since conviction completion date for which you seek a Pardon.
4. It will be to your advantage to supply the Commission with letters of support from reputable members of the community who can attest to your character and activities within the community.

Upon receipt of your Pardon Application, a discreet field investigation will be conducted by agents for the Commission of Pardons and Parole. After completion of the field investigation, the Commission will review your application and the investigation report. If the Commission chooses to schedule a Pardon Hearing, it will be set for one of during one of the following months: January, April, July, and October. The Commission meets as a Pardon Board during those months. The hearing will be advertised in the local newspaper four weeks prior to the scheduled Hearing in the legal advertisement section. The Idaho Commission of Pardons and Parole meets as a Pardon Board four times each year in the months of January, April, July, and October.

It is most beneficial, though not mandatory, for you to appear in person before the Commission on the date of your Hearing. You will be notified by mail prior to the scheduled Pardon Hearing to enable you to make plans to attend, if you so wish.

Be assured that the Commission for Pardons and Parole looks forward to considering a pardon for you, as the Commission appreciates, as do other citizens, when people were able to turn their lives around to become positive, productive citizens.
